

Hillerich & Bradsby Co. Bionic Glove Technology Division

Minimum Advertised Price & Distribution Policy Effective Date: JANUARY 1ST, 2022

SPECIAL NOTES

- A drop ship fee of \$2.00 will be added to all drop ship orders
- A restocking charge of 5% will be applied for all products returned in new condition

The Bionic Gloves Technology division of Hillerich & Bradsby Co. ("H&B") has established itself as a leader in the high-performance enhancing glove industry. H&B believes that the demand for this product is substantially increased when these products are sold through Authorized Retail Dealers, hereinafter "Dealer(s)", who are equipped to provide consumers the necessary service, fitting, and technical advice related to these high-quality products. H&B, therefore, strives for broad distribution through its retail and established dealer network. It is imperative that H&B's image and the dealers' ability to successfully retail H&B products are both maintained at a high level. To this end, H&B has adopted this strict policy for the innovative and high-performance Bionic Gloves listed on Attachment A.

The Bionic Gloves, to which this policy applies, are listed on Attachment A along with the MSRP, which shall be the MAP (Minimum Advertised Price) price for each Bionic Glove. This policy only applies to products listed on Attachment A. H&B may, at any time, in its sole discretion, change this policy, add or delete products listed on Attachment A, or raise or lower minimum advertised prices listed on Attachment A. Though Dealers are free to determine their own prices for sales of Bionic Gloves to their customers, in order to uphold the integrity of MAP pricing and provide respect to its other business relationships/customers, H&B will cease the supply of Bionic Gloves listed on Attachment A to Dealers that violate this policy. Dealers will be in violation of this policy if they: (a) Choose to advertise below the MAP or incorporate non-price terms such as "Call", "Sale", "Bid", or "Name/Negotiate a Price" instead of the actual price or (b) Permit unauthorized or third parties to engage in sales of Bionic Gloves products advertised below the MAP price. Furthermore, H&B reserves the right to terminate all business relations with Dealers who violate this policy.

Internet Sales:

Dealers may hereby sell H&B's products over their own privately-operated internet website, on-line auction sites, brokers such as Amazon or eBay, or message board forum style websites. If the sell price is lower than the MAP price, the Dealer may not display or advertise the price until the item has been selected or added to the customer's "Shopping Cart" or until the customer is prompted or contacted to pay for the item. Advertising includes the listing of H&B products to websites that feature item pricing before items are in a customer's shopping cart or before prompting the customer to pay for items. An exception would be sealed bids made pursuant to a formal bidding procedure conducted by an institutional purchaser such as a school, park district, or any other government unit. For the purpose of this policy, advertising includes ads and promotions placed with television, radio, newspapers, magazines, social media (including but not limited to Facebook, Instagram, Twitter, etc.), flyers or catalogs (including direct mail flyers, coupons, or catalogs sent by Dealers to their customers) and computer network services including all web pages (to include each individual product featuring Bionic Gloves) and other methods of advertising on the internet, as well as front-of-store pricing announcements.

General Terms:

Dealer agrees to sell only H&B products that Dealer has ordered from H&B, and to sell such products to end-user customers (i.e., not for resale or further distribution) in the United States, in each case, unless otherwise approved in writing by H&B.

In order to protect the INTEGRITY of the Bionic Gloves brand,

aliases (i.e. dba) used by Dealer, whether on a	website (Bionic Gloves or Other) or otherwise:
Please list any and ALL websites with which yo	ou do business (Bionic Gloves or Other):

Dealer agrees to notify H&B in writing if Dealer adds or deletes any names or websites other than those listed above.

The above mentioned is the current Bionic Gloves Technology policy for MAP pricing and distribution and is explicitly related to advertising and distributing H&B's products ONLY. This is a non-negotiable unilateral agreement. H&B reserves the right to make changes to this policy or the included "Attachment A" without notice. H&B will notify Dealers of changes to this policy through communication from the Dealer's sales representative, via email to the Dealer's email address set forth below, or however H&B deems to be appropriate and/or effective.

By retaining H&B products, this Dealer hereby agrees to adhere to the terms of this policy. If the terms of this policy are not agreeable to this Dealer or if H&B terminates its relationship with Dealer as a result of a violation of this policy, Dealer will cease selling H&B products immediately and may return all H&B products subject to the policy to H&B for a full refund within thirty (30) days upon receipt of product.

Any questions regarding this policy should be directed, in writing, to:
